

Quilt, Craft & Sewing Festivals MARKETING PACKAGE

While other shows have been struggling to fill the aisles, Rusty Barn Promotion Group Inc. has seen continued success and steady growth over the last 23 years, frequently setting new attendance records at their shows.

WHAT SETS RUSTY BARN SHOWS APART?

- **UNEQUALED ADVERTISING AND PROMOTION** — The Quilt, Craft & Sewing Festivals are supported by the largest advertising and promotion budget per booth of any promoter in our industry.
- **INCREASED EXHIBITOR PROFIT** — A substantially larger promotion and advertising budget, in addition to our target-oriented promotion efforts, means more pre-qualified and ready-to-buy consumers at your show. This means increased exhibitor profit.
- **EXPERIENCED, PROFESSIONAL MANAGEMENT** — Rusty Barn management team members possess extensive promotion and marketing backgrounds and experience, in addition to a commitment to quality and excellence.
- **COMMITMENT TO EXCELLENCE** — The Rusty Barn Promotion Group is committed to providing our exhibitors and our attendees with the highest quality events possible. Those who have participated in a Quilt, Craft & Sewing Festival know these events are well organized and have some of the highest attendee to booth ratios in the industry.
- **INCOMPARABLE VISIBILITY & VALUE** — Make your advertising dollars count! Your logo will reach hundreds of thousands of targeted consumers across the Rocky Mountain West, because Rusty Barn promotes not just one show each year, but 14. This is the best bang-for-the-buck you'll get out of your dollar for a fraction of what other advertising would cost.

Attendees line up for entry at one of our popular regional Festivals.
