

***The \$12 fee to the Arizona Dept of Revenue is NOW an annual fee. If you exhibited in Phoenix with us, you will not have to pay / or renew for Tucson. The State of AZ DOR will invoice you \$12 per year to keep your license active. I was informed by Peggy Creamer (contact info below), that everyone will receive a renewal for their annual license and fee. You may want to reach out to her to make sure you're good to go and your renewal date.
