CREATE ENCHANTING CUSTOM FABRIC WITH WASHABLE TSUKINEKO INK

Joyce Teng (booth #217)

Have you ever wanted to transform a piece of dull, boring fabric into something original and luminous?

Joyce's passion for fiber art has led her to discover innovative techniques for creating printed color images on fabric ranging from silk to cotton to polyester, and she is excited to share these techniques with you.

Classroom #1, 11:00 & 2:00 pm

LEARN BASIC WOOL

Midway Wool / Jen Anderson (booth #812)

Come and enjoy a free "Make and Take" interactive class using wool. You will leave with a fun project and knowledge on how to get started on a wool project.

Classroom #1, 1:00 pm

TREASURES DOWN UNDER

Nancy Shipley Cerna (booth #311)

Aboriginal art work is popular throughout the world and the oldest living ancient patterns. This tradition dates back over

50,000 years as revealed by carbon dating of rock and cave paintings in the caves of Central Australia. Amazingly, Aboriginal artists have little or no formal art training other than what they learn from their families. Aboriginal fabrics reveal stories, symbols and may be used individually or in concert with other fabrics to create quilts, clothing and accessories, including animal portrayals. See how your creativity can bring these unique projects to life for yourself, family and friends.
