## EXHIBITOR SEMINAR DESCRIPTIONS:

### BASIC FOUNDATION PIECING W/ EZ PIECING

*Deb Gansberger (booth #616)*

Let us introduce you to our Leave-In Foundations. Even if you have tried paper piecing and weren't happy with the technique or the outcome, we will show you how easy our foundations are. They will give you that perfect block with perfect points. Take home a free block to give it a try. Sewing on the line and not having to worry about perfect cutting and perfect 1/4" seams make this a snap and sew EZ!

**Classroom #1, 2:00 pm**

### GO BEYOND THE INSTRUCTIONS YOUR PATTERNS GIVE!

*John Brady (booth #410)*

Patterns tell you exactly what to cut and how to cut it. But if you're like me, you like knowing the reasons behind the instructions your patterns give. After this class, patterns will make more sense and you might even decide it's not so hard to make a block any size you want, without even needing a pattern.

**Classroom #1, 1:00 pm**

### NOTIONS YOU NEED, BUT MAYBE DIDN'T KNOW IT!

*Raylene Salazar (booth #1200)*

Join Raylene as she shares with you many of her favorite notions and time saving tools! She will also give you tips and tricks she's learned along the way and share some of the most useful yet inexpensive tools you won't want to live without! This class is great for quilters and sewers of all skill levels as she shows a variety of items you may not have known you needed!

**Classroom #1, 12:00 noon**

### TREASURES DOWN UNDER

*Nancy Shipley Cerna  
(booth #K)*

Aboriginal art work is popular throughout the world and the oldest living ancient patterns. This tradition dates back over 50,000 years as revealed by carbon dating of rock

and cave paintings in the caves of Central Australia. Amazingly, Aboriginal artists have little or no formal art training other than what they learn from their families. Aboriginal fabrics reveal stories, symbols and may be used individually or in concert with other

fabrics to create quilts, clothing and accessories, including animal portrayals. See how your creativity can bring these unique projects to life for yourself, family and friends.

Join us and experience our re-usable silk screen transfers and Chalkology paste to create a small project in minutes. Chalk Couture can have you creating your own cute project like a pro and we will show you how.
