CS+I LOGISTICS – SHIPPING MADE EASY

IMPORTANT INBOUND MATERIAL HANDLING/SHIPPING INSTRUCTIONS

It is the responsibility of the exhibiting company to arrange any and all shipments to the Convention-SI warehouse or the Venue.

ADVANCE SHIPMENTS – Receiving begins 30 days prior to exhibitor move-in. Shipments must arrive at the warehouse by no later than **Friday, August 18, 2023**. Shipments arriving after that date will be received; however, additional charges will be incurred (per the attached rate sheet). Warehouse receiving hours are **Monday-Friday 9:00AM-3:00PM (closed all major holidays)**. Shipments arriving outside of those hours will incur additional charges per the attached rate sheet.

**REMEMBER NOT TO SHIP YOUR MATERIALS TO THE VENUE PRIOR TO THE ASSIGNED EXHIBITOR MOVE IN DATES
OR ADDITIONAL CHARGES WILL INCUR.**

DIRECT SHIPMENTS – Are highly discouraged. Shipments that must be directed to show site can only arrive **during exhibitor move in hours**. Early shipments may be refused. Convention-SI is not responsible for loss or damages to shipments that are delivered to the Venue prior to that date. **Items shipped directly to show site and handled by Convention-SI personnel will be charged drayage/material handling per the rate sheet enclosed. Shipping direct to show site may incur additional WestWorld of Scottsdale fees, at the exhibitors expense.**

CONSOLIDATE YOUR SHIPMENT AND SAVE – Separate shipments received by CS+I will not be combined. The minimum 100lb charge applies to each separate shipment that CS+I receives. Shipments arriving at the same time from different destinations are considered separate shipments. Please be aware that FedEx and UPS may split shipments resulting in CS+I receiving multiple shipments.

ALL SHIPMENTS MUST BE SENT PRE-PAID; NO COD'S WILL BE ACCEPTED.

OUTBOUND SHIPMENTS – Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the CS+I Service Desk. **Do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the official show carrier must make arrangements with their carrier to be checked in at the CS+I Service Desk by the driver check-in time specified on the *Show Information* page. Drivers are placed in line for loading on a first come, first serve basis, provided the exhibitor is completely packed and a Outbound Bill of Lading has been turned in to the CS+I Service Desk. Drivers whose Outbound Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Outbound Bill of Lading is turned in. Should your carrier fail to check in by the designated time or refuses to pick up your shipment, CS+I reserves the right to re-route such shipments via the official show carrier as necessary, at the exhibitor's expense.

NOTE: Any items left on the show floor will either be brought back to the CS+I warehouse and additional charges will be incurred, or re-routed with CS+I's designated carrier at the exhibitor's expense. By shipping your products to CS+I and/or the WestWorld of Scottsdale, you agree to the terms and conditions outlined in the Limits of Liability section of the service kit.

CREATIVE SERVICES – ARTWORK SUBMITTAL GUIDELINES

CS+I Creative Services

Large scale event printing can be foreign territory for those who are used to working with publication sized media. Our desire is to provide you with the best quality graphic design and production for your event or exhibit. You can help us in that effort by submitting digital art files using the following artwork guidelines. If you are sending us completed, Print Ready files, please pass this information on to your Graphic Designer for reference. If you are working with a CS+I Creative Services Designer to create a new show look or to design an exhibit, please include any information that might be relevant to translating your brand and incorporating it into your event or exhibit.

Acceptable File Formats

We accept native files from the following programs:

- Adobe Products: Illustrator (.ai), InDesign (.indd), Photoshop (.psd)

Other file types we can work with:

- Acrobat (.pdf), Encapsulated Post Script (.eps), Tagged Image File Format (.tiff), Joint Photographic Expert Group (.jpeg or .jpg)

Files need to be converted to CMYK with a minimum DPI of 300. Increase DPI accordingly for scaled document sizes.

Artwork Setup

- Keep in mind that here at CS+I we work on PCs; all MAC files will need to be converted in order for us to open them. Only use letters, numbers, hyphens and spaces in your file names, and avoid using any special glyphs or characters.
- All graphic files should be set up using CMYK color profiles. If your files are set up in RGB and we convert them here, there may be a substantial difference in your color choices.
- Graphic dimensions that exceed 200" in width or height should be set up at 50%. If the files you are submitting are not set up at full scale, please make a note of the scaled percentage in your file names.
- It is highly recommended that you provide a preview PDF of your unit, panels or graphics as you intend them to be printed. This helps us to visually detect common errors such as missing fonts, missing links or images, and other issues that may vary from computer to computer.

Uploading Artwork

Files under 10MB can be forwarded through email. Larger files, or multiple files, can be submitted to our Creative Services department by using any common online file share method such as DropBox, Box.com, Hightail, WeTransfer, 4Shared, GoogleDrive, etc).

For questions about CS+I Creative Services or prepping your files for submission, please email us at: graphics@Convention-SI.com

Logos

Logos are an important aspect of event branding and sponsorship programs. Please make sure that you provide us with vector versions of your logo and your sponsors logos if you plan on utilizing them graphically.

Fonts

In print ready artwork, please convert all fonts to outlines. If there's a chance your graphics may need to be altered before printing please do not outline your fonts. Instead, provide files for any fonts used in your documents. If we are designing your graphics for you, please include files for any fonts you would like to be used.

Links

Please properly package any artwork that is externally linked inside your native files. Missing links can cause your files to launch with errors, and we will not be able to print your artwork correctly without them.

Design Time & Capability

- Graphic pricing does not include design time or prepress file preparation. Art submitted that is not print ready according to the guidelines listed here and require modification will be reflected on your final invoice at \$90.00/hr.
- CS+I Creative Services Design team is here to help you achieve an eye-catching show or exhibit look. We're happy to work directly with you or your in-house designer to ensure your graphic elements are visually impactful and make the best use of your space. Please speak with your Exhibitor Services Coordinator to start conceptualizing your look!

ARIZONA UNION GUIDELINES AND SAFETY TIPS

To assist you in planning for your participation we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. The following is a description of the work rules and an outline of union jurisdiction. CS+I has skilled, friendly and quality conscious employees in Arizona available to assist you with most aspects of your exhibiting experience. Arrangements for labor and other services can be made through the forms provided in this exhibitor service kit.

Booth Labor

Currently, we have an agreement with the Local International Alliance of Theatrical and Stage Employees (IATSE). Members of this union claim jurisdiction over all setup and dismantling of exhibits, furniture installation, pipe and drape, hanging of signs and laying of floor coverings and unloading and delivering of all display related materials.

- Exhibitors may use full-time company personnel that will be staffing their exhibit to assist in setup and/or dismantling of their own booths.
- Exhibitors may employ the services of Non-Official Contractors providing the following requirements are met:
 - A. Exhibitors must advise CS+I in writing, thirty (30) days prior to setup of the show, of their intent to hire an outside installation and dismantle company or exhibit house to supervise, install, and dismantle their exhibit. The Intent to Use Non-Official Contractor form must be completed by both parties and returned no less than thirty (30) days prior to setup.
 - B. Non-official contractors must furnish proof of adequate insurance, in the form of an original copy of a policy rider listing CS+I as an additional insured, furnished by their broker to CS+I office no less than thirty (30) days in advance of actual installation dates.
 - C. Non-Official contractors must furnish show management the names, addresses and telephone numbers of key executives for emergency contact.
 - D. All personnel must wear proper identification at show site.
- All non-official installation and dismantle contractors will be allowed on the exhibit floor only during installation & dismantling hours, and must be identified with a temporary work pass, either supplied by show management or the official service contractor.
- Exhibitors that plan to setup and dismantle their own booths or equipment, with their own employees, are not required to fill out the Non-official contractor's form or send in proof of insurance.

Material Handling

Exhibitors are allowed to unload a mini-van, car, station wagon or pick-up. Exhibitors may use hand-operated equipment that the Exhibitor has provided themselves such as, two wheeled hand dollies and four wheeled flat carts. The use of fork trucks, pallet jacks and any other mechanical equipment is not permitted by anyone other than CS+I. Any crated materials must be handled by union personnel.

Gratuities

CS+I requests that exhibitors do not offer gratuities to our employees, as they are paid an excellent wage denoting a professional status. Any request for tips should be brought to the attention of a representative at the CS+I Service Desk.

Safety

Standing on chairs, tables or other rental furniture is prohibited. Rental furniture is not made to support standing weight. CS+I cannot be responsible for injuries or falls caused by the improper use of furniture. LIMITS OF LIABILITY

In placing of an order for services and/or equipment by an exhibitor or any agent of the exhibitor shall be construed as an offer subject to acceptance and approval of CS+I in its sole discretion. Upon participation of any CS+I show or event, the exhibitor and its agents shall be bound by the terms and conditions set fourth in sections 1 through 14 below. Likewise, once CS+I has accepted and approved the exhibitor's offer, any shipper consigning or delivering a shipment to CS+I or its subcontractors on behalf of the Exhibitor shall be bound by the terms and conditions set fourth in sections 1 though 14 below.

1. CS+I and its subcontractors shall not be liable for damage, loss or delay to uncrated freight, freight improperly packed, glass breakage or concealed damages as determined by CS+I.
2. Relative to inbound shipments, there may be lapse of time between the delivery of shipment(s) to the booth by CS+I or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of material from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booths unattended. Therefore, it is agreed that CS+I and its subcontractors shall not be liable for the loss of, disappearance of, or damage of any items left in the booth unattended at any time. Consequently, all bills of lading covering outgoing shipment(s) submitted to CS+I or its subcontractors by the Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.

5. CS+I and its subcontractors shall not be liable for ordinary wear and tear in handling of materials and/or equipment.
6. CS+I and its subcontractors are not insurers; i.e., CS+I does not insure the Exhibitor's property against loss or damage, nor does it provide for full replacement value should loss or damage occur. Insurance, if any, shall be obtained by the exhibitor. Amounts payable by CS+I under this paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. Provisions of this paragraph shall apply if Exhibitor's property is lost or damaged through performance or non performance of services by CS+I, or from the negligence of CS+I, its subcontractors or their respective employees. If such loss or damage occurs, the liability of CS+I and its subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Exhibitor's agreed-upon damages and exclusive remedy.
7. CS+I and its subcontractors shall not be liable to any extent whatsoever for any indirect, special, incidental, or consequential damages which may include, but are not limited to any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss or damage to Exhibitor's materials or any injury to Exhibitor's personnel which may make it impossible or impractical for Exhibitor to exhibit its materials.
8. CS+I will not be bound to honor any claim or action brought against CS+I or its subcontractors more than 60 days after the date of incident.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that CS+I and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. Instead, the Exhibitor agrees to pay CS+I prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against CS+I or its subcontractor shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.
